FROM THE PASTOR

DR. DALE LEVAN

JESUS HAS RISEN FROM THE DEAD! This is the theme of the Christian life. This is the reason for the church's existence. Because He lives, we can live also. We have been praying for our neighbors, friends and family and are aggressively inviting them to join us on Easter Sunday at 10:30 am. God will speak and change lives. Let's expect great things from God, but let's also attempt great things for God!

OUR LEADERSHIP COUNCIL will begin a process this month of planning for the next 2-3 years. Please be in prayer for this group as we study our area, as we see the needs, as we put together a plan of action, and then as this group presents to the church in the coming months a strategy for being the church in Rome and around the world.

GOD WANTS US TO TAKE GOD-HONORING RISKS. A part of this statement is that we give sacrificially, share our faith boldly and are open to change. What would happen in our community if all of us would begin to share our testimony with others, pray for servers, and hand out gospel tracts? Through these simple tools, God would change our community for Christ. What would happen if we stop holding back our time, our talents, and our treasures and serve and give sacrificially? God would grow His church in awesome ways!

WE WANT TO CONNECT COMPASSION TO OUR COMMUNITY. We are still trying to have a Good News Club in a local school. We have at least 9 people who are interested in helping with this project. We are talking now with Restoration Rome about this possibility. A question we want to ask our community is: How can we serve you (in the name of Jesus)?

RYAN CHANDLER has been our Communications staff leader for 5 years. He is leaving us to go to work at a church within walking distance of his home in Cedartown. We love and appreciate Ryan and all of the work he has done for us during these years. Blessings on you and your family, Ryan!
